

Dear Potential Sponsor,

St James Orthodox Mission Church in Dallas is planning our 2nd annual benefit golf tournament to raise funds for both the International Rescue Committee (<https://help.rescue.org/>) and the Church Building Fund. The golf tournament will be held on **April 13, 2024**, at the Golf Club at Champions Circle in Fort Worth, TX.

Since its inception, the focus of our church and its members has been to serve our community through charitable acts both locally and abroad. Our parish devotes funds and time to various charitable organizations, including Baal Dan, Ronald McDonald House, and Mosaic Family Services.

This year, we are partnering with International Rescue Committee and will be donating a portion of the funds raised through the tournament to assist that organization with providing refugee services to displaced Ukrainian families, as well as support those displaced due to the recent devastation in Turkey and Syria.

Our church is incorporated as a 501(c)(3), and all contributions to this charity golf fundraiser are fully tax-deductible. We are looking for individuals, organizations, and businesses to sponsor each of the 18 holes of the golf course. By being a sponsor, you will be promoting your company or organization to a diverse group of tournament participants while simultaneously supporting a great cause. The robust list of sponsor benefits is attached. Even if you're unable to commit to sponsoring a hole, we are in need of donations for prizes, giveaways, and more. Any donation of funds or items is welcome and appreciated.

For further information, please contact the following members of the St. James Orthodox Mission Church Fundraising Committee:

- Tournament Chair: Steven Philips, 972-998-1296
- Co-Tournament Chair: Joe Kunnathusseril, 972-567-2613
- Events Coordinator / Lead Advisor: Vinson George, 214-418-4381

We are anticipating a highly successful and well-rounded Golf Tournament. We humbly request your commitment and support for this event.

Sincerely,

St James Tournament Committee
