

**ST. JAMES**  
ORTHODOX MISSION CHURCH

Dear Potential Sponsor,

St James Orthodox Mission Church in Dallas is planning our 5<sup>th</sup> annual benefit golf tournament with 50% of proceeds benefitting a 501(c)(3) charitable organization to be determined later; remaining proceeds would go to the Church Renovation Fund. The golf tournament will be held on **April 25, 2026**, at the Bear Creek Golf Club in Dallas, Texas, near DFW Airport.

Since its inception, the focus of our church has been to serve our community through charitable acts both locally and abroad. Our parish devotes funds and time to various charitable organizations, including Baal Dan, Ronald McDonald House, International Rescue Committee and Mosaic Family Services.

Once a charitable organization is decided, we will be donating 50% of the funds raised through the tournament to assist that organization with providing charitable contributions towards healthcare, education, refugee services, or other charitable causes. Once a charitable organization is decided, we will inform participants and donors.

Our church is incorporated as a 501(c)(3), and all contributions to this charity golf fundraiser are fully tax-deductible. We are looking for individuals, organizations, and businesses to sponsor each of the 18 holes of the golf course. By being a sponsor, you will be promoting your company or organization to a diverse group of tournament participants while simultaneously supporting a great cause. The robust list of sponsor benefits is attached. Even if you're unable to commit to sponsoring a hole, we need donations for prizes, giveaways, and more. Any donation of funds or items is welcome and appreciated.

Sincerely,

St James Tournament Committee
